

MARBURY REEDBED

Access: Have you got your permit?

Access to the woodland area of the reserve is open to Trust members at all times. Access to the reedbed, open water area, and woodland buffer zone requires a permit, these are obtainable from Cheshire Wildlife Trust; please email Jacki Hulse, Head of Estates & Land Management, on jhulse@cheshirewt.cix.co.uk to apply for one.

Location: The reserve lies at the north west end of Budworth Mere, close to Marbury Country Park, 2km north of Northwich (O.S. Grid Ref.: SJ651768). It occupies 6 hectares (15 acres).

Habitat Summary

The reserve demonstrates the various stages of hydrosere succession. Budworth Mere was either formed by natural salt subsidence, or by glacial morainic action. The reserve covers 15 acres (6ha) and forms part of the Budworth Mere SSSI.

Don't forget to submit your records via the link on the CWT website reserves page.
